2011 Bible Reading Plan

This plan is designed to help you read through the entire Bible in one year. The books are arranged compositionally, meaning they follow the books the way they are organized in the Hebrew Bible.

Luke 24:44-45 (ESV) reads as follows:
Then he said to them, "These are my words that I spoke to you while I was still with you, that everything written about me in the Law of Moses and the Prophets and the Psalms must be fulfilled." [45] Then he opened their minds to understand the Scriptures,....

The order Jesus describes here is probably the order of this Bible reading plan. Our prayer is that He would open our minds to understand the Scriptures and that we would see Jesus clearly in his word.

The days of "REFLECTION" are Sundays and are meant to provide you with an opportunity to prepare your heart for corporate worship by reading the text for that day's sermon.
